RE: Docket No. 02-0690
Illinois-American Water Company

Dear Ms. Rolando:

The Staff of the Illinois Commerce Commission filed Direct Testimony on February 5, 2003 in this docket. The Direct Testimony of Mary H. Everson, Exhibit 2.0, Lines 323 through 341, indicated that Staff would be filing supplemental direct testimony to provide a revenue requirement for each of the following rate areas: Southern/Peoria, Streator, and Pontiac (SPSP). After further review, Staff has determined that its original proposal of allocating the revenue requirement within the current SPSP rate area, as described in the Direct Testimony of Mike Luth, Exhibit 8.0, pages 9-10, lines 163 through line 188 will produce reasonable results. A minor modification for a district-specific adjustment concerning reverse osmosis in the Streator District may be necessary to further refine cost of service results, which would be presented in Staff's rebuttal testimony. Therefore, Staff will not be filing supplemental direct testimony regarding this issue.

Sincerely,

Steven L. Matrisch
Staff Attorney

Enclosure
